Sir/Ma'am:

Greetings of honor and excellence! We are the College of Arts and Sciences – Student Council (CAS-SC), the highest governing body and the organization representative of the students of the College of Arts and Sciences of the University of the Philippines Visayas. It has always been a prime thrust of the CAS-SC to be in service of the College of Arts and Sciences and its constituents.

In this upcoming February 13-15, 2013, the College of Arts and Sciences, the largest college of the University of the Philippines Visayas in terms of student population, will be having The CAS Foundation Week celebration. In line with this, the CAS-SC, as a focal member of the community of organizers for the celebration, will be holding the UPV CAS Inter-Organization Quiz Cup. The quiz cup activity, which is open to all organizations in the University of the Philippines, both University-wide and College-based, is an aggregate of 5 independent quiz bowls on subjects representative of the different divisions of the College of Arts and Sciences, namely Biology for the Division of Biological Sciences, Philippine Literature for the Division of Humanities, Philippine History for the Division of Social Sciences, Mathematics for the Division of Physical Sciences and Mathematics and Chemistry for the Department of Chemistry, which will be done simultaneously within the university. Each quiz bowl will be conducted independently by the sponsoring course organizations. The following table shows the quiz bowls that will be conducted, their respective subjects and sponsoring organizations:

Quiz Bowl Event	Subject	Sponsoring Organization
2013 UPV CAS Inter-Organization Biology Quiz	Biology	UPV Biology Society
2013 UPV CAS Inter-Organization Literature Quiz	Philippine Literature	UPV Literati
2013 UPV CAS Inter-Organization History Quiz	Philippine History	UPV CAS-SC
2013 UPV CAS Inter-Organization Mathematics Quiz	Mathematics	UPV Statistical Society
2013 UPV CAS Inter-Organization Chemistry Quiz	Chemistry	UPV Chemistry Society

Also, each quiz bowl event will independently declare winners of that event, and these winners will win the respective awards and prizes in that quiz bowl event as stated in the Rules and Regulations of that quiz bowl event. Herewith attached are the Rules and Regulations of the 2013 UPV CAS Inter-Organization Biology Quiz, the 2013 UPV CAS Inter-Organization Literature Quiz, the 2013 UPV CAS Inter-Organization History Quiz, the 2013 UPV CAS Inter-Organization Mathematics Quiz and the 2013 UPV CAS Inter-Organization

Chemistry Quiz. However, the ranking of the top performing representative of each Organization in each quiz bowl event will be given corresponding points according to the following point system:

Condition	Corresponding Point/s
If the top performing representative qualified to the Main Contest Part as defined in the Rules and Regulations of that quiz bowl event	Numerical value of ranking will be the corresponding point of the Organization for that quiz bowl event
If the top performing representative got eliminated in the Elimination Part as defined in the Rules and Regulations of that quiz bowl event	20 Points
If the Organization has no representative for that quiz bowl event	30 points

The corresponding points of the top performing representatives of each organization in each quiz bowl event will be summed up to become the score of that organization in the quiz cup as a whole. The organization that gets the lowest score will be declared the top-performing organization in the quiz cup and that organization will be declared the winner of the 2013 UPV CAS Inter-organization Quiz Cup will take home the following:

- 1.) Trophy of the 2013 UPV CAS Inter-organization Quiz Cup,
- 2.) Certificate of the achievement and
- 3.) Cash prize of P2000.00.

With regards to these, we are inviting your organization to join our celebration by sending your organization's contestants to the quiz bowl events, preferably to each quiz bowl event, on February 14, 2013. Registration for all the quiz bowls will be from 8:30 AM – 9:00 AM, at the College of Arts and Sciences 1st Floor Lobby, University of the Philippines Visayas, Miag-ao, Iloilo.

We are looking forward for your kind approval. We are also requesting to kindly confirm your organization's attendance through +639095533802 for mobile message responses and/ or mobile call responses or through leonardtan199203@gmail.com for letter and/or e-mail responses. Thank you and more power!

Cordially yours,

(signed)

LEONARD V. TAN

Activity Head, 2013 UPV CAS Inter-School Quiz Cup
Vice-Chairperson, CAS-SC
